REGISTRATION FEE - \$35.00 per student plus first payment - (October Tuition)

TUITION - Our tuition is based on an annual fee, divided into ten monthly payments, unless you are paying with the discount. Tuition is not based on the number of lessons received per month. Therefore, you are not paying for the holidays observed by the studio. The June payment, which is the final payment out of the ten payments for the year, is due before rehearsal.

*You may pay tuition three different ways: Pay in full and receive 10% off; Pay semi-annually - half up front, and the balance in January to receive 5% off - or divide the annual fees into ten payments, with all payments made before end of May. Payments must be made by auto draft, or online with all credit/debit card numbers/ banking info turned in at registration or online. Authorization and Registration forms with signatures must be submitted as well.

*In order for a student to drop, an official Drop Form must be filled out, signed and dated by parent. The forms will be available in studio or on website. All fees will be charged and assessed until form is received. If a student drops from the roll after costumes are ordered, the parent will be liable for the child's costume fees.

*All payments will be processed on the 5th of the month, unless you choose to pay online anytime prior to that date. You may make any payments at any time online to your account.
